PROFILE

I am an IT professional specializing in web development and network technologies, with a strong foundation in software engineering. Passionate about solving challenges and continuously learning, I am committed to enhancing my technical expertise and contributing to innovative projects.

I have a strong passion for programming, networking, and enterprise storage solutions, which have greatly contributed to my personal and professional growth. Currently, I am focusing my studies on JavaScript (React.js, Next.js, TypeScript), Java, and Python (FastAPI). I hold certifications in Dell Technologies – Information Storage & Management (ISM) and Dell Unity Deploy 2023 (D-UN-DE-23).

Curious and enthusiastic about all areas of IT, I actively seek to expand my knowledge beyond my main focus. I enjoy helping others, sharing knowledge, and I am always open to continuous learning and collaboration.
